

# Test Security Affidavit

## Administrator Agreement Test Administrator's Initials \_\_\_\_\_

I acknowledge that I will have access to the *Iowa Assessments*™ Form E Complete Battery (Iowa Complete) and the *Cognitive Abilities Test (CogAT*®) Form 7 for the purpose of administering the testing program. I understand these materials are highly secure and it is my professional responsibility to protect their security as follows:

I will take all necessary precautions to safeguard all test materials by limiting access to persons within the school who have a responsible, professional interest in the security of the tests. The names of all persons having access to the materials will be kept on file at the school. Accelerated Christian Education will keep all Test Security Affidavits on file. Test Security Affidavits will be emailed or mailed to schools with their purchased testing materials. This form is also available at [www.acediagnostictest.com/online-assessments](http://www.acediagnostictest.com/online-assessments) under the "Tips and Forms" tab.

I will keep the test materials under lock and key, except on actual testing dates, limiting access to those responsible for their security. Secure test materials, including test books and directions, will be delivered to examiners no sooner than the date of testing, unless logistics dictate an earlier delivery date. Test materials will be kept secure until they are actually distributed to students. In no case will students be permitted to remove test materials from the room where testing takes place.

I will not disclose or allow to be disclosed the contents of, or the scoring keys to, the test instrument. Upon completion of testing, the user will return all test materials to the testing administrator.

I will not divulge the contents of the test, generally or specifically, to anyone.
